Objective

To obtain a full-time career working as a videographer and editor.

Qualifications

Self-Taught Independent Film Producer

- Producer
- Director
- Videographer
- Editor
- Two-dimensional special effects artist
- Actor
- Good interpersonal skills
- Adaptable to new software environments

Abbreviated Field Experience

Producer *[see notes for additional roles]*

2011

UCF: Abstract Messiah

<http://www.key-pixel.com/ucf/>

- Post-cyberpunk mystery thriller produced in conjunction with Key Pixel Gathering of Filmers; sequel to 2006 film, UCF: Toronto Cybercide.
- My largest contributions to the film (aside from co-starring) were b-unit directing, being a camera operator, being the lead editor, and assembling and coordinating the visual effects team.
- Co-director, producer, actor, script editor, camera operator, lead editor, visual effects coordinator, visual effects artist, compositor.

Producer, Writer, Actor, Editor

2008

Control

<http://www.press-enter.net/control.htm>

- Car chase on a budget; a driver assists an assassination target in escaping his pursuer.
- Created as a workshop entry where a film had to be created around pre-written dialogue. I created the concept, did some camera work, and edited, including redubbing all vehicle sounds with those from a video game.

Producer, Writer, Actor, Editor

2004

I vs. Me

<http://www.press-enter.net/ivsme.htm>

- A person gets into a heated argument with his reflection in the mirror.
- Mostly rotoscoped, not greenscreened.

Producer

2004-Present

[miscellaneous projects]

<http://www.press-enter.net/>

- My strengths lie in both shooting and editing video. I have a good eye for composition with a camera and have a good sense of timing for editing.
- I use After Effects CS3 on a PC for all aspects of post-production.
- A comprehensive list of all of my projects is available upon request.

Education

BS, Professional and Technical Communication
2004 - 2008 *SUNY Institute of Technology*

Marcy, NY

- Bachelor of Science.
- Writing for New Media focus.

Work Experience

Sales Associate
2010-2011 *GameXChange*

Saratoga Springs, NY

- Responsible for the daily workings with the store, often as the only employee present. Involves engaging the customers and helping them with questions and issues as well as managing and moving inventory.

Manager
2009-2010 *Game Nutz*

Canastota, NY

- Same as "Retail Clerk" below, plus:
 - Helped to get the location ready for business, including initial setup and inventory.
 - Configured QuickBooks Point of Sale for the locations, including entire inventory and department system as well as volunteering to test out new features.
 - Created & maintained location policies (cleaning schedule, return policies, etc.)

Retail Clerk
2008-2009 *Game Nutz*

Sherrill, NY

- Responsible for the daily workings with the store, often as the only employee present. Involves engaging the customers and helping them with questions and issues as well as managing and moving inventory.
- Took on projects at my own initiative, including organizing shelves on the sales floor and creating spreadsheets to more accurately track back room inventory, among other projects.

Cashier and Customer Service Clerk
2002 - 2008 *P&C Foods*

Sherrill, NY

- Involves working with customers in a timely and courteous manner, from moving them through the cash register line to helping them out to their car, if requested, and making sure that they leave with a positive opinion of the store.
- Involves keeping the front end of the store running smoothly, including emptying bottle return machines and bringing carts back inside, as well as anything else the manager requests of me.

Videography Reel

- My videography reel is available for download at http://presenter.phispace.net/hookway_videography_reel.mov as a 21.3 MB, MPEG-4 encoded Quicktime file, about one and a half minutes long. A standard-definition DVD or high-definition Blu-Ray version is available upon request.

References

- References are available upon request.
